GRUBBY TALE!

Dear *Mayfair*,

I've worked as a mechanic in the same garage for the last nine years. It's a small business with only three employees, including myself, and we all get on famously. Mike, the boss, is more like a mate, always playing pranks and having a laugh with us. Because of this close relationship (and the length of time I've been here) Mike trusts me to open and close up shop if he's not around and occasionally, if it's a particularly quiet day, I'll find myself working solo.

It was on one of these days last month that I was holding the fort, as there were only two jobs booked in for the afternoon – and easy ones at that. The first was a bloke who needed his tyres balancing, then I had an hour to fill before a woman was due to bring her car in for an interim service.

Around 45 minutes later, I was sweeping the floor when a car pulled in and she stepped out: tall and blonde, with the most perfect rack I'd seen, this woman was seriously hot and I couldn't help but gawp at her for a moment. From the way she was dressed – short skirt, crop top with no bra underneath – and the amount of make-up she had on, she was either a stripper or

super-confident!

Snapping myself out of it, I greeted her and immediately began talking her through what I was to do to her vehicle. It was hard to concentrate on the job in hand, however, when she kept making intense eye contact, touching my arm and flirting outrageously. I wasn't sure if she was actually coming on to me or if this was just the way she was so tried to play it cool, but my dick had other ideas and I felt him stir.

Mildly embarrassed at my own bodily functions, I told her that it should only take an hour and a half, or so, and if she'd like to leave it with me, I'd have it ready for her return. I expected her to disappear then, but she smiled sexily and, taking a seat,

AUGUST'S GLOOP!

Dear *Mayfair*,

I've always maintained that *Mayfair* is a magazine ahead of its time. Over the years you've always uncovered new ways to bring us the sexiest girls from Britain and all over the world, leaving your competitors floundering in your wake (*Mum, is that you? – Ed.*). But I didn't realize you were literally ahead of the time as well until I opened your May issue and cast my eyes on the delectable August! Don't get me wrong, because I'm not complaining that you gave us an early taste (and I'd really love to taste August!) of high summer.

With her all-over tan, red hot outfit and incredible figure, August had me rising faster than the mercury in the thermometer on the hottest day of the year. In fact she rather put me in mind of the slip, slop, slap advice for hot weather. I can't actually recall what the slip and slap are, but I'd happily slop cream all over August's sensational tits – a big dollop of thick, white factor 50 should do the trick nicely – and then rub it slowly into her glorious orbs.

Any chance of another set of August – maybe in the August edition itself?

Best regards, and keep up the good work!

Martyn, Isle of Wight.

Thanks Martyn – yes, we neatly failed to get August to coincide with the correct month when we featured her last year as well – The Ed.

said she'd wait. Unsure of myself now, I opened the bonnet and began checking the oil, chattering away like an idiot.

I'd only been checking the motor for a matter of minutes, when she got up and, taking me completely by surprise, slipped her hands around my waist as I leant over the car. Jolting upright and turning to face her, still in her grasp, I went to say something but she shushed me and planted her lips on mine.

Instinctively I kissed her back, my tongue pushing its way between her soft lips and explored her mouth. Her hands were wandering all over me now, caressing my

torso before moving to squeeze my butt cheeks. My cock was rock hard by now and her delicate hands rubbed it through the thick material of my boiler suit.

Not wanting to get engine grease on her clothes, I restrained myself from groping her back, instead wriggling free from her grasp and going to pull the shutter down to give us some privacy. While I had my back turned, Morgan (as her name turned out to be!) wasted no time and stripped down to her knickers, showing off a ridiculously fit body! I eagerly hurried back and snogged her passionately, pleased when she took my hands and placed them on her white

TWIN/TWIN SITUATION!

Dear *Mayfair*,

Wow! Like a great many of your other readers, I suspect, I was totally blown away by the set of pictures of the more than appropriately-named Preeti and her – obviously – equally gorgeous twin sister Priya! What an unadulterated treat to see two such stunning babes posing together for our delectation, their sexy faces alluringly similar yet different, while their curves, bums and pussies matched to perfection. I don't know if any guy's ever had the pleasure of sharing these girls' bed, but if he had, he's got to be one of the most

enviable men in history! The picture of them on page 46, when they're both presenting their perfectly-rounded rumps to the camera, justified the cost of the magazine on its own, and combined with all the other pictures of the girls – not to mention all the other stunning babes in the issue – marks out *Mayfair* 51.05 as one of my all time most treasured issues! Please give my regards to the twins themselves – they more than deserve all the acclaim you rightly heaped upon them! Jerry, Sunderland.

orbs, leaving oily handprints on them! After copping a good feel, I closed the car bonnet and lifted her up so she was perched on the edge of it, positioning myself between her legs.

Tugging my overalls down and my T-shirt off, Morgan ran her hands over my bare torso before shoving them down my pants. Gasping as she grabbed my penis in her warm hand, I encouraged her to wank me slowly and she did, looking deep into my eyes all the while – which is possibly the horniest thing that's ever happened to me. It wasn't long before lust took over and I wanted, no needed, to be inside this gorgeous creature.

Shrugging my boiler suit off completely, I grabbed Morgan's boobs again and pushed her legs apart with my pelvis until my naked cock was rubbing up against her hairless snatch. As I took her nipple in my mouth and sucked it roughly, I noticed she was

"I WAS STILL HARD, BUT IT FELT LIKE MY TOOL WAS SWELLING UP EVEN MORE AGAINST HER TONGUE."

breathing heavily, her hands grabbing my arse and pulling me forward roughly as she begged me to fuck her.

Happily obliging, I found her pussy hole with my throbbing helmet and pushed my way deep into her tight passage, hard. We let out a groan simultaneously as I sunk in to the hilt and filled her cunt entirely, pawing each other as we ate each other's face off. I held her hips still as I thrust in and out, pounding away at her fanny like a man possessed. I knew she was coming when she started shaking and squealing, her vag muscles contracting around my sawing prick as her cheeks reddened.

As she came down from her orgasm, she pushed me away from her and for a split second, I thought that that was it, but instead she spread my discarded overalls on the concrete floor and told me to lie on my back. I did as instructed and was glad I had when she knelt down and took my cock in her mouth. I was still hard, but it felt like my tool was swelling up even more against her tongue. After a few teasing minutes she straddled me and sat down heavily on my cock, gyrating around enthusiastically, her ample norks almost hypnotizing me as they swayed rhythmically. I suddenly had the urge to be smothered by those big, fleshy mounds and sat up, burying my face between them. Morgan, while continuing to grind on my knob, held the back of my head to her cleavage and I was almost having trouble breathing – but that seemed to send me over the edge and I couldn't hold back. I rammed upwards into her cunt, emptying my sack as I filled her with hot, creamy jizz.

Because it was late by the time we'd cleaned ourselves up, I told Morgan I'd do her car overnight and would pay for her to get a cab. Bossily, she informed me that she would wait while I serviced her car and would then drive me back to mine so I could service her again! Who was I to argue?

Scott, Ilfracombe.

STRAWBERRIES AND CREAM!

Dear *Mayfair*,

I've been going out with Helen for a couple of months now, and she's already proven herself very liberal when it comes to sex – for example when one night I pitched up at her flat one evening for a quiet night in. I was surprised when she opened the door dressed only in a flimsy and provocative baby doll night dress. It looked like our night in wasn't going to be quite as quiet as I'd figured!

I looked at her in awe, but she wasted

Mmm – we’ve fallen head over heels for countless babes from Essex over the years, but there’s something about the delectable Chloe Toy that’s set every nerve a-tingle. She was a super-cutie when she first got into modelling, and now she’s reached the ripe old age of 21 she seems to be getting hotter and hotter!

“I’m not sure I’d call 21 a ripe old age!” she pouts, “but I guess that was meant as a compliment,” she grins. Just the honest truth, Chloe!

no time, pulling me inside and greeting me by giving me a kiss full on the lips. I hesitated for a fraction of a second before drawing on her pointed little tongue and sucking it hard as she flicked it inside my mouth in a sensuous French kiss. With her arms firmly around my neck she drew her long legs up around my waist, wrapping them around me with her feet crossed against the small of my back, grinding her mound down against my erection.

Reaching under her to cup her buttocks and support some of her weight, I could feel the delicate lace edges of her panties through the flimsy fabric of her dress. I carried her inside, her weight shifting on

fleeting glimpses her lacy hold-up stocking tops. She took me to the living room where she had wine poured and dishes of strawberries and cream. I smiled thinking of some great places I would like to dip those berries but shook my head to clear my mind and try to keep a hold on reality.

But Helen, as I well knew, was not ruled by niceties – especially, it seemed, when she was in a heightened state of arousal. She tossed a heap of scatter cushions off the sofa and leaning forward and unzipped my flies, released my throbbing cock. It stood perfectly erect, its pale purple helmet glazed with droplets of pre-come. Sitting back on her heels, she looked up into my eyes and, in a voice husky with arousal, announced that she was going to give me

that stretched from her lower lip to my engorged helmet.

"Your turn," she murmured. And with that, she stood up and removed her dress, casting it aside as though it were a rag.

Tugging her lace panties down her legs and over her feet, she lay back on the sofa and reached for a dish of strawberries. I was grinning like a Cheshire cat, my cock twitching as I wondered she was going to do with them.

Helen took a plump strawberry and bit into it, licking her lips as the juice trickled out the sides of her lips. I knelt beside her and she fed me the other half from between her lips. She's definitely the most sexual girl I've ever been with, and when I lifted her skirt up I marvelled (not for the first time) at the wonderful sight of her gorgeous blonde pussy.

Parting her legs wide, I spooned some cream into the glistening pink aperture between her swollen labia. She moaned with pleasure as the cool cream set her natural juices flowing and as I watched her caress her clit, I cut up some strawberries and arranged them in the cream. Helen smiled and asked me to feed her some, so I scooped a piece of fruit up and, after rubbing it in a mixture of cream and her juices, I fed it to her. Then, holding her pussy petals apart with her fingers, she asked me if I was going to have some too.

It was the ultimate culinary experience, a pleasure to stimulate all the senses. Visually perfect, her downy blonde curls framed her parted, rose-tinted labia, displaying the luscious cream with the tiny pieces of bright red fruit. The whole thing was mouth watering and I buried my face in her crotch. The soft wisps from her mound tickled my nostrils and the taste was simply delicious. There are simply no words which could do justice to the sticky sweetness of the her juices commingled with the strawberries and cream.

I took my time tonguing her pussy clean, sucking the succulent slivers of fruit from her inner pinkness, my lips and tongue stimulating her again and again in the process, until I felt her pussy quiver and spasm as she came her hips grinding against my face as her hands held me down on top of her. By the time I came up for air my chin was soaking from her juices, and I gratefully accepted the glass of wine that she offered me.

Of course we fucked after that, and the feeling of my cock slipping into her creamy pussy meant that it wasn't long before I was plastering her insides with some cream of my own! Since then Helen and I have got up to loads more food-based fun, and I can thoroughly recommend it to your readers – although not with my Helen! Ollie, Winchester.

HOLLY GOOD SHOW!

Dear *Mayfair*,

Can I congratulate Miss Holly Gibbons for her well-deserved triumph in your Girl of the Year vote! I was struck by her beauty the very first time she appeared in *Mayfair*, and since then she's just got better and better, blossoming as a model and as a young woman, and (I've been delighted to note) permitting us to see more and more of her flawless body! And now that she's won, we're guaranteed a new set of her in the magazine, which I'll certainly be keeping an eager eye out for!

Congratulations too to Emma Green and Jenny Laird, both of whom possess an abundance of assets that are sure to drive men crazy... and, indeed, to all the wonderful women who help to make *Mayfair* the magazine I've known and loved for more years than I'd care to remember! Alan, Bedford.

my hands as I moved my fingertips into the crevice between her buttocks. The tell-tale dampness from her hot little cunt exuded a musky scent.

As our lips unlocked her body relaxed and gracefully as a cat she lowered her feet to the floor. She looked me full in the eye and ran a fingernail down the front of my shirt, scraping the fabric against my skin. Slowly she opened my shirt front and began to lick and chew on my nipples (something I'd never actually experienced before) until she drove me almost crazy.

My cock tent-poled my trouser front as she pulled away and asked me to follow her. I hung back, watching her sexy figure as she walked along the hall, the hem of her sexy translucent dress allowing

the best blow-job I'd ever had. And I didn't doubt her for one second! She leaned her head back and parted her soft pink lips.

Without delay I stood up and, dropping my trousers, fed my rock-hard cock inside her warm, wet, waiting mouth. Her hands clasped my arse-cheeks, her long nails digging into my flesh as she sucked hard on my twitching cock. With her blonde hair swinging, she gave me the most delectable, measured, fellatio imaginable. It was superb, but just as the seed welled in my balls she raised her head from my cock and said saucily she intended to "keep the cream for dessert".

I had been so close to coming that my balls ached and I looked longingly at the string of mixed pre-come and spit

The south coast boasts many natural beauties, from Durdle Door to the New Forest and beyond, but we reckon that any avid nature fan could do a lot worse than stumble across Bexie here on one of their seaside ambles!

"Well, on the beach would be a pretty good place to find me!" she admits. "When we were kids we used to spend nearly every spare minute down there, and I still love to get along to the seaside as often as possible. I'm not sure I want too many anoraked amblerers coming up and admiring me, though!"

Hmm, fair enough. And as long as the rest of us can admire what's on view in the mag, everything's just dandy!

A family is at the dinner table. The son asks the father, "Dad, how many kinds of boobs are there?"

The father, surprised, answers, "Well, son, a woman goes through three phases. In her 20s, a woman's breasts are like melons, round and firm. In her 30s and 40s,

a man goes through three phases also. In his 20s, his willy is like an oak tree, mighty and hard. In his 30s and 40s, it's like a birch, flexible but reliable. After his 50s, it's like a Christmas tree."

"A Christmas tree?" the daughter asks.

"Yes, dead from the root up and the balls are purely for decoration."

"My wife, my best putter! Oh, no, the horror of it all!"

they are like pears, still nice, hanging a bit. After 50, they are like onions."

"Onions?" the son asks.

"Yes. They make you cry."

This infuriated his wife and daughter. The daughter asks, "Mum, how many different kinds of willies are there?"

The mother smiles and says, "Well, dear,

His mother quickly hands him £20 and says, "Just don't tell your father."

Quite pleased, the boy waits for his father to get home from work, and greets him with, "I know the whole truth."

The father promptly hands him £40 and says, "Please don't say a word to your mother."

Very pleased, the boy is on his way to school the next day when he sees the postman at his front door. The boy greets him by saying, "I know the whole truth."

The guy answers, "A scotch, please."

The bartender hands him the drink, and says "That'll be three pounds," to which the guy replies, "What are you talking about? I don't owe you anything for this."

A lawyer, sitting nearby and overhearing the conversation, says to the bartender, "You know, he's got you there. In the original offer, which constitutes a binding contract upon acceptance, there was no stipulation of remuneration."

The bartender is not impressed, but says to the guy, "OK, you beat me for a drink. But don't ever let me catch you in here again."

The next day, same guy walks into the bar. The bartender says, "What the heck are you doing in here? I can't believe you've got the audacity to come back!"

The guy says, "What are you talking about? I've never been in this place in my life!"

The bartender replies, "I'm very sorry, but this is uncanny. You must have a double."

To which the guy replies, "Thank you very much. Make it a scotch."

Welcome to another spanking new issue of *Mayfair* – and what better way to kick it off with one of our favourite hotties of the current British crop (a bumper crop it is too, thinking about it) – Miss Zara Mae! Some girls are just naturals in front of the camera, aren't they, and from the way Zara tweaks her nips and plays with that pussy of hers, it's pretty clear she's to the manor born – and she's certainly got the frontage worthy of a manor house!

M

Huzzah – it's another sizzling *Mayfair* newcomer! And we couldn't be more chuffed than we are to introduce the delectable charms of luscious Londoner Jada Cameo, who's built up rather a fanbase with her TV appearances and who's now decided that *Mayfair* readers deserve a shuftly as well. And while she looks damn fine on the telly and the web, we can't help thinking that she really comes into her own in crystal clear print!

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

Last year, my best friend and I finally set up a business that we'd been talking about for at least a decade and found that our little craft shop became a moderate success quite quickly.

Both single and horny, I have to admit Beth and I are always on the lookout for potential hook-ups so when Jeremy, a sales rep for a

through the craft catalogues had brought, he became more and more tactile. Every time his hand touched mine, no matter how fleeting the contact, I felt a little flutter in the pit of my stomach. And as Jeremy talked me through his samples, our eyes locked and I knew that if I wanted to pull this guy, he was mine for the taking!

When he'd finished his 'pitch', I told him that I would have to discuss it all with Beth before placing an order and that I would be in touch, holding my hand out for him to shake. Taking it, he bent forward and kissed it, completely catching me off guard and making me blush, before asking me if I'd care to go for a drink with him sometime. Giggling, I told him that would be lovely, but then we caught each other's eyes again and he leant in to kiss me on the lips.

It was such a gentlemanly peck that it stirred up an overwhelming lust in me and I grabbed him round the waist, turning the soft kiss into a ferocious snog. Jeremy pushed me back against the counter as he forced his tongue into my mouth, his hands roughly cupping my boobs through my thin T-shirt. I gasped, pulling away as I realized a customer could walk in at any time, and rushed to lock the door and pull the blind down. That done, I turned back to Jeremy, who had tugged his suit jacket off and was unbuttoning his crisp white shirt, to reveal a taut, muscular physique, which I didn't expect.

Boldly, I took his face in my hands and kissed him again passionately, running my hands down his torso until I reached the bulge in his trousers and groped his tentpole. Pulling my top off over my head, he massaged my breasts, first burying his face between my cleavage before pulling my bra

cups down and sucking my nipples, causing me to yelp in spite of myself.

Pushing him back against the counter, I dropped to my knees and unzipped his trousers, enjoying the way his meaty cock fell out as I tugged them down to Jeremy's toned buttocks. Taking him into my mouth, I felt his whole body tense, and it wasn't until I had sucked him all the way in that he relaxed again. I grabbed his bum and encouraged him to fuck my mouth, which he did, groaning softly all the while.

Then he suddenly pulled away and stood up, backing me up against the counter and perching me on the edge. Pushing my skirt up and my knickers to one side, he bent down and kissed his way up my bare thighs, until he reached his goal. I jumped as his lips made contact with my fanny lips, softly kissing me before parting my labia expertly with his tongue. My clit throbbed as he sucked and licked me, taking my little nub into his mouth before running his tongue along my slit.

Using one hand to pull my flaps apart, he used the other to play with my clit as he fucked my hole with his tongue. This guy was seriously talented! I was aware that I was breathing heavily and letting out the occasional mewl as the pleasure intensified. I was just getting close to coming when Jeremy stood, just like that. I was almost disappointed until I saw his meaty cock, on a level with my pussy, straining to get inside. Shit, I wanted him! He was butting up against my slit and, much as I was tempted to reach down and give him a hand, all I did was wiggle my hips,

heightening the anticipation as he pried for an entry.

When he found my hole, his dick sank easily inside me, slowly and deliciously. He ground down to the hilt, then started thrusting. I hooked my legs around his back and took it all, literally every fucking inch of his schlong, until I started to climax. I yelled that I was going to come so he started banging in hard, pounding into me like a jackhammer until waves of ecstasy washed over me and he was filling me with a load of spunk.

After he'd come he stayed inside me a bit longer, sucking gently on my nipples, teasing out a few more orgasmic jolts and making me gasp with each. I clung on to him, my legs still wrapped around his waist, occasionally squeezing my vaginal muscles and relishing the shudder of pleasure that went through him every time.

After a time, he finally pulled out and I stood up, legs shaking and jism leaking down my inner thighs as I located my top and tidied myself up. Jeremy looked so horny, his hair tousled and a flushed, just-been-fucked look about him - so much so, I could quite happily have jumped on him again!

possible new supplier, appeared in the shop one day, I wasn't about to let him slip through my fingers!

Tall, with mousey blonde hair, he was in his 40s and, although not classically handsome, had a certain way about him that I found extremely attractive. With Beth at the cash and carry for the afternoon, I knew there was no chance of her butting in and, noticing there was no wedding ring on Jeremy's finger, I took advantage, flirting outrageously with him.

He responded in like and, as we flicked

Instead, we agreed to keep our liaison quiet and said goodbye with a soft kiss. I didn't think I'd see Jeremy again until his company sent him over again, but an hour later he called the shop to ask me out on a date! We've seen each other a few times since then – and yes, he fucked me raw on every occasion – and I have a sneaking suspicion that it might become serious between us. If he does become my boyfriend and I introduce him to Beth, she'll definitely know that I met him at the shop and she'll want details – but there's no way I'm letting on that we screwed exactly where she does her paperwork!

"I LOWERED MY HEAD TOWARDS HER SOFT BREASTS, KISSING THE SKIN AND EVENTUALLY REACHING HER STIFF NIPPLES."

My best friend Helena and I have often discussed dabbling with girl-on-girl sex but I never actually thought it would happen. We've always been very sexual people and have never made a secret of the fact we'd really like to try going down on another woman – something neither of us had up until then. We would get quite horny when the conversation came around to lesbian sex whenever we'd had a few drinks, but until a few weeks ago I imagined it would just remain a fantasy. How wrong I was!

When my boyfriend announced he was going away for a stag party I jumped at the chance to invite Helena round to our flat for a girlie night in. We hadn't seen each other for a while and had lots to catch up on. Snuggled up in our nighties under the duvet I pulled onto the sofa, we gossiped for hours over a couple of bottles of wine. We were well on the way to drunkenness when Helena started describing the wild sex she'd been having with her new bloke. Things quickly deteriorated into filth as we talked about the rude things that turn us on and other naughty things we'd like to try. It came as no surprise when the lesbian topic came up again.

Giggling over her glass of red wine, Helena said: "For God's sake Julia, we're always talking about this, why don't we just give it a go?" As usual I thought she didn't really mean it and replied jokingly, "Yeah all right then, do your worst you dirty bitch." To say I was shocked when I felt her hand rubbing against my thigh would be an understatement. My heart began to pound when I realised she was serious but I couldn't ignore the rush of excitement that shuddered through my body. I'd wanted to feel the sensation of another woman's skin against my own for so long but couldn't look Helena in the eye as she gently stroked my bare leg beneath the covers. My body went completely rigid with panic but even though my friend must have noticed this, she carried on regardless.

There had been countless times when Helena and I had touched in the past, and had even been naked together many times before but suddenly I felt very self-conscious. Desperately trying to relax, I closed my eyes and concentrated on the fantastically erotic feeling that washed over my body. My head spun with the combination of alcohol and sheer lust as Helena continued gently caressing my inside leg. Her fingers slowly wandered closer and closer towards my dampening pussy and when she reached my panties I gasped, opening my eyes in nervousness. Helena stared back at me intently and I knew there was no going back as she smiled wickedly. Her hand cupped around my pubic bone and I realised she'd be able to feel my juices oozing through the fabric of my cotton knickers. My clit began pulsating with excitement when she pressed her middle finger against my stiff button and Becky leaned closer to kiss me.

Neither of us knew exactly what we were doing but from that point on the whole thing just became instinctive. Helena gently pressed her lips against mine and slowly we began a deep kiss that made my legs weak with excitement. For a while I kept my eyes open, watching my friend's beautiful face as she explored my mouth with her tongue. At first I simply couldn't believe I was snogging my best mate. But after a few mind-blowing moments the eroticism of the situation took control. Fuelled with lust, I reached towards Helena's face and held her head as we kissed deeper and deeper. Then I allowed my hands to wander

towards her heaving chest.

Her tits had always been much bigger than mine had and I was desperate to touch them and hold them in my hands. The straps of her satin nightdress slipped from her shoulders revealing her large fleshy boobs and I groped them excitedly, keen to feel them at long last. Helena moaned in delight as I moved towards her big brown nipples and began squeezing and tweaking them the way I knew she enjoyed. Helena responded by taking my own pert little tits in her own hands and for a few tantalising minutes we played around with each other's tits. Then I lowered my head towards her soft breasts, kissing the skin and eventually reaching her stiff nipples. I flicked my tongue over the ends and began gently sucking and chewing on them. This sent Helena wild and she pushed me onto my back, pulled off her nightdress and hitched up my own.

Clambering on top of my body, she started grinding her shaven fanny against my own, allowing our juices to mingle as she rode around on

top of my cunt. Her bald pussy was now soaking wet and I reached between her legs to touch it. Slowly, I slipped my middle finger between her plump lips, nudging against her clit as I found my way into her tight sticky hole. Obviously I'd had years of experience playing with my own pussy but exploring someone else's felt deliciously sluttish. I thrust my finger deep inside her tunnel and wriggled it around until I knew I'd found her g-spot.

Helena looked so fucking sexy as I lay on my back watching her ride on my hand, her huge tits bouncing up and down. "Lick me Julia, I want to feel your tongue on my clit..." She begged. I felt my own fanny twitching with anticipation as I took hold of my friend's buttocks and pulled her nearer to my face until she was eventually squatting over my mouth. On her knees,

Helena waited impatiently while I took one last look at her pink, juicy cunt before unleashing my tongue onto her sex.

My nostrils filled with her gorgeous musky scent as I lapped up her sticky juices and moved my tongue inside her slit. First I licked up and down her smooth labia. Then I began working on her swollen clit, building up a steady circular rhythm. I thrust a finger back inside her dripping hole and while I worked on her fanny I eased another finger inside her tight puckered arsehole. Helena had told me so many times that she adored being fucked up the arse and I knew she'd just love me to stretch her wide so I thrust another finger

up her bum. This made her whimper in dirty delight and with both holes filled – not to mention my tongue grinding against her clit – she began to come quickly.

At one point I almost couldn't breathe as she rubbed her fanny against my face, smothering me in her intoxicating juices. Suddenly I knew she couldn't hold out any longer and I rammed my fingers hard up her bum as she screamed she was coming. "Fucking hell, Julia!" she shouted unashamedly, and my mouth filled with her cream as her huge orgasm eventually subsided. By this point my cunt was begging for a tonguing and never a girl to be selfish,

Helena obliged as soon as she got her breath back. I was dizzy with lust and lay back as my mate prepared to go down on me.

I opened my legs wide and thrust my hairy pussy towards her face, desperate to feel her tongue in my cunt. She slowly parted my lubricated lips and rubbed the tip of her finger against my clit. I couldn't help the grateful groan that escaped from my mouth when she began working on my hole and Helena smiled. "I'm dying to taste your pussy. I'm gonna make you come like you've never come before!" She teased and I thought I'd burst at the sheer prospect of it. Then she lowered her head between my legs and pushed her tongue inside my snatch. I can't explain how fucking good it felt to have another woman licking my pussy. Maybe it's because it's so taboo, but I'd never felt so horny in all my life. I reached down and pulled open my pussy lips to allow Helena better access to my sensitive clit.

At first my button was so wet that she had difficulty keeping her tongue on the right spot but after slurping away at my juices she got it just perfect. I rubbed my nipples hard for an extra kick and when Helena started chewing on my clit I lost control completely. I clamped my legs around her face and thrust my fanny against her mouth as an enormous orgasm shuddered through my entire body.

When my climax was over Helena surfaced, her face glistening with my sweet smelling juices, and we collapsed into a final deep kiss. And then we started all over again! Needless to say, we don't talk about girl-on-girl sex anymore – we just get down to it whenever we can!

SHE SLOWLY PARTED MY LUBRICATED LIPS AND RUBBED THE TIP OF HER FINGER AGAINST MY CLIT.

I've been going out with my boyfriend Paul for about three years and I thought that we were really meant to be together. Everything seemed to be going so well between us... until I spent an afternoon alone with his best friend Joe. I didn't even like Joe's personality much – he always seemed very crude and a bit nasty – just his looks, and all I can think now is that it was pure animalistic instinct that drew the two of together and made me cheat.

It was about three months after Paul and I moved in together that he had to take a trip abroad on business. I was happy enough staying by myself until my internet connection went on the blink. I tried everything to get it to connect, but ended up in a mess from crawling behind the computer desk and pulling out the wrong wires. I phoned Paul to see if he could help, but I couldn't understand his instructions over the phone.

The big problem was that I needed to do some work on the computer that night. I work in sales and I needed to do some background research on the companies I would be

approaching the next day. Paul sounded frustrated on the phone and told me to chill out and he would ring his mate Joe to come round and get me back online.

Joe arrived an hour or so later, and by then I was so glad to see him that I gave him a hug. He held me a little longer than was necessary and I wondered if I had given him the wrong impression. I told him the problem, and he set to work checking out the wires. It was while he

tits, making my pussy tingle and tighten as I gobbled on his cock.

He grasped a clump of my hair and began fucking my face, making me gag a little before he stopped, apologising that he had got carried away because he fancied me so much. I enjoyed the fact that he was so hot for me and had become really turned on by sucking him. We moved onto the sofa and he began licking my pussy. I just closed my eyes and let him eat me, feeling my pussy quiver and throb as he

lapped away at my labia and began sucking on my clit.

It didn't take me long to come, and when he'd licked me out he moved up on top of me, and, spreading my legs wide, kissed me while he pushed his thick cock inside my wet, hot pussy. I was so excited that it slid easily inside me, making my hips buck as he filled me. Once he had mounted me fully he began fucking me rhythmically, using long hard strokes. His enthusiasm set me alight, making my pussy spasm as his cock sawed slowly in and out, sending exquisite sensations of pleasure reverberating through my whole body.

As his momentum increased my back arched and I began thrusting upward to meet his stroke. In and out he pumped, his massive cock sliding easily in and out of my wet pussy until I began to come. My climax hit me hard making my pussy throb and contract around his hard weapon. I was still

coming as he pulled out and I cried out in objection, until he repositioned me on my hands and knees on the sofa.

He put his finger back inside my pussy, lubricating it with my juices before running it around my anal ring. It felt warm and pleasurable as he worked his slick digit inside my rear entrance and I have to admit I enjoyed the sensation. Then, slowly and carefully, he pushed his cockhead against my anus and entered me from behind. He slowly inched his way inside my back entrance, moving gently until I was completely relaxed.

It was so erotic that I could not help moaning as he fucked me from behind and soon we were moving together as if we were dancing. Then I felt him increasing the rhythm as he grasped my hips and began to ride me with deliberation. Harder and faster he went, increasing my pleasure as he increased his own. Then he paused, just for a moment, before blasting wave after wave of his come deep inside me.

That was just over a month ago now, and neither of us have said anything to Paul, of course – and while I don't think I would ever consider leaving him for Joe, the next time he's away I'm pretty sure I'll be getting Joe round again for another ride on that magnificent cock of his.

was down on his hands and knees that I found myself thinking what a cute arse he had, and when his T-shirt got pushed up as he crawled in under the desk, I got a peak at his muscular torso and I began to feel all hot and bothered.

It didn't take him long to fix it and I felt disappointed when I thought he was going to leave, so I offered him a beer and we sat together on the sofa making small talk. He was sitting really close to me and before I knew it he put his arms around me and began kissing me. I tried to pull away a bit at first, but soon stopped as my body reacted to his kiss and his touch.

He was a real operator, so sure of himself that I felt myself just go along with him. Soon I was down to just my bra and panties while he pulled his T-shirt off and wriggled from his jeans. I felt so hot for him, and just a little dirty letting him have me so easily, but I had gone this far and nothing was going to make me turn back. Especially not when I saw the size of his cock. Fuck me!

He had the largest prick I had ever seen. My eyes boggled when I saw it. Long, thick and erect, it stood out from his body ready for action and I felt my pussy getting wet just looking at it. Before I knew what was happening I found myself down on my knees on the carpet, cupping his balls in my palms and sucking his swollen cockhead while he unfastened my bra. While I sucked his big cock Joe played with my

Cue some sort of beating around the bush gag, except Roxy doesn't really have one!

ARIANA

Age: 23 Vital Stats: 32C-28-33 5'4"
Photographer: Twistys

Ariana's not just one of those girls who likes to model for magazines – she's also quite an avid reader as well...

"Yep, I love looking at beautiful female bodies, whether they're in magazines or on video – especially if they're playing with their pussies. Or someone else's!"

So is that what got you into modelling then?

"Not really – I just always liked showing off and getting people's attention. And there's no better way of getting people's attention than stripping off!"

Very true.

■■■■■■■■■■

It's not really our strong suit, but it looks like we might have to keep on our toes a bit from now on, what with all these twins suddenly appearing on our books! Melissa and Carla are the latest additions, but it was Priya and her identical twin Preeti who first set the cat amongst the pigeons back in 51.05. Perhaps we could set up some sort of mixed doubles shoot, in which the twins pair off and get to know each other? Then again, it's possible to have too much of a good thing – frankly Priya here on her own'll do me, thanks very much!

Mmm – luscious Valentina Nappi represents the second half of what appears to be a double bill of girls with Italian blood in their veins. I tell you what – if it weren't for the fact that I'm hopelessly addicted to pork scratchings and eccles cakes I'd be seriously thinking about emigrating on the strength of these two lovelies. Then again, as we know only too well, British babes are more than capable of holding their own. I just wish they'd hold mine as well now and then.

MIA

Age: 25 Vital Stats: 34B-23-34 5'5"
Photographer: BB Media

Mia Sol has a name that puts you in mind of something you might want to slip into the hand luggage and take on holiday with you, hasn't she? And to be honest, we could think of a lot worse ideas than carting her off for a week or two in the sun – or even a crappy, rain-drenched 'staycation' in these isles!

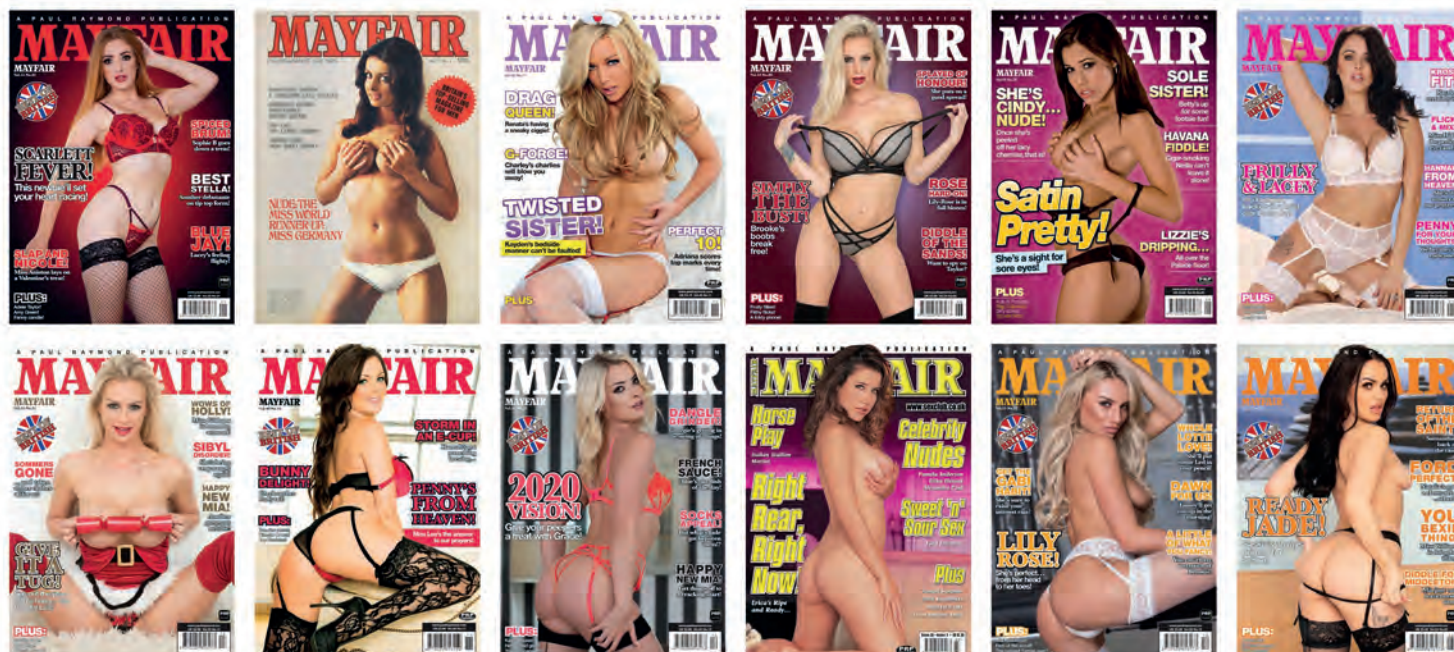

"I'll have you know that some of my finest holiday memories are from the UK!" she butts in.

"After all, you don't need great weather to have a good time when you're in the right company!"

Well if you want to prove it, we'll give it a try!
